Each year the Somerset County Chamber of Commerce holds a Leadership Class “to promote awareness and generate interest in serving the community as leaders.” The program includes selecting and completing a community-based project by teams. Our team has chosen to help our community by supporting the Somerset County Humane Society. We will be holding a Benefit Shoot to raise money for an Emergency Relief Fund. The Humane Society of Somerset County is committed to taking every animal in need regardless of age and adoptability. Only very ill and vicious animals are humanely euthanized by a veterinarian. If an animal is in serious need of medical attention the surgery can be a huge expense, therefore, our goal is to create a fund for this necessity.

*Please consider supporting the Humane Society.*
